

CIERRA BURDICK

Professional Athlete

Meet Cierra Burdick

On the court, Cierra is known for her passion and love for the game. Around the age of 5, Cierra and her mother moved to a south Charlotte apartment, conveniently located across from the Harris YMCA. As years went by, Cierra advanced from the community YMCA league to the national showcase circuit. In her junior year of high school, Cierra committed to play collegiate hoops for the late great Pat Summitt and the Tennessee Lady Vols.

Cierra finished her high school career as an All-American and helped the Lady Vols forge a 113-29 record, including 54-10 in SEC play throughout her four years with the team. On her watch, Tennessee won two SEC regular season titles, and two SEC Tournament crowns, and carded three Elite Eight finishes and one Sweet 16 effort in NCAA Tournament play. As a senior, Cierra was a first-team Coaches All-SEC selection.

In the 2015 WNBA draft, Cierra was selected by the Los Angeles Sparks with the 14th overall pick. Since becoming pro, Cierra has played both in the WNBA and in international competition, winning five gold medals with USA Basketball. She looks forward to new opportunities with 3x3 competition both stateside and abroad. She currently plays for Force 10, the first professional U.S. women's 3x3 team, and is a member of the USA Basketball 3x3 National Team Pool.
